

**EDUCATIONAL CLINICS in conjunction with the Elk Creek CDE  
June 15, 2007 – All are welcome**

**“Presentation: Turnout & Harness Fitting”  
9:00 – 10:30 AM**

- Ever feel like your dressage turnout belongs on the TV show “What NOT to Wear”?
- Are you and your navigator “fashion- challenged”?
- Are you confident that your harness and carriage are appropriately fitted and adjusted for your animal(s)?

Discover the important factors that create a pleasing and accomplished turnout. Bring your dressage-wear along for a personalized critique by a carriage-driving professional. Live demonstrations will be used to illustrate appropriate carriage and harness fit. This session is geared for both the seasoned and aspiring driver looking to make the best impression. Find out how to gain those few extra presentation points that can make all the difference in your final score.

Presenter, **Roy Munt**, is a 4<sup>th</sup> generation driver and member of the Coaching Club of Great Britain. Roy worked for his father for many years doing CDE’s and Coaching. His father, Peter Munt, holds the record for being unbeaten at every Coaching show in the UK for 10 consecutive years. He now trains horses and remains active in Coaching having won the 4-in-hand division at Devon in 2006. He has also worked on films like Braveheart, Emma, Sense & Sensibility, Room with a View and many others. His familiarity with European tradition as well as current American trends in carriage driving will help competitors avoid those costly mistakes associated with ill-fitting or inappropriate equipment.

**“Take the Mystery Out of CDE Scoring”  
10:30 – Noon**

- Have you ever stood at the official scoreboard trying to figure out what the numbers in all of those spreadsheet columns really mean?
- Do you understand how a tie is broken at a CDE?
- Have you ever discovered penalty points that you didn’t know were assessed?

Come and learn the intricacies of the combined driving scoring process so that you can become a more informed competitor who is able to identify and react to potential errors and to pinpoint where improvements in performance could be made

**Bobbi Hager**, our presenter, left the corporate life after 32 years in Information Systems, Marketing and Controllershship. Now she spends her time “giving back” as a volunteer. Currently, Bobbi is Secretary/Scorekeeper for the Brandywine Carriage Driving Show, Scorer for Elk Creek, Volunteer Coordinator and financial Record Keeper for the Laurels, and Co-Organizer/Secretary of the BVDC Teddy Bear Picnic. Bobbi also volunteers for Gladstone Equestrian Association, People for Animals and cooks for a community outreach program. She is also an occasional Prelim CDE competitor with her pony, Pumba.

Bobbi will walk participants through the scoring of all three phases with particular emphasis on how to glean the most from the numbers as they unfold. This presentation is a must for all active competitors, spectators and anyone interested in learning more about the sport.

Both sessions will be conducted in or near the tent in the Competitor’s Village on Friday, June 15<sup>th</sup>. Pre-registration will be appreciated so that presenters/organizers can plan accordingly. Materials and chairs will be provided. Food/drinks will be available for purchase nearby. Cost for both sessions is \$20.

Please complete and detach the registration form below and return with full payment (Checks made out to Fair Hill International, Inc.) to:

**Linda Willis, EC Clinic Manager  
123 Main Street  
Oley, PA. 19547**
